

# Tablet Mobility Meets Notebook Productivity

FUJITSU Tablet STYLISTIC Q738

FUJITSU

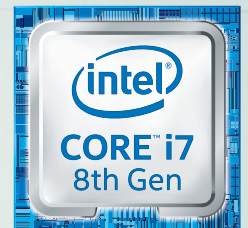

## Gateway to the digital world

In the new digital economy, people work wherever they need to be productive – provided they have mobile devices that can deliver business performance straight to the point of use. 2 in 1 devices such as the FUJITSU Tablet STYLISTIC Q738 give mobile professionals the power to collaborate and share information anywhere, without compromising on data or device security. With an outdoor-readable touchscreen, great connectivity and the ability to work hours on end without seeing a power socket, the STYLISTIC Q738 is the right tool to take into a digital work-anywhere future.
