

Data Sheet

ADATA ADATA HV620S

External Storage Devices

Ultimate Portability and Style, Anytime, Anywhere

The ADATA HV620S brings a new dimension to your data storage. It combines high storage capacity with portability and style to create the ideal traveling companion. With an external storage capacity of 1TB, it is able to hold large quantities of files and data, while the 11.5 mm casing makes it extremely easy to transport.

Slim and stylish design

- Ultimate go-anywhere design that is only 11.5mm thick, ensuring superior portability because it fits easily into any briefcase or backpack
- Simple but elegant layout with a mirror-like gloss available in black

Bright cold-blue LED indicator

- The HV620S features a bright cold-blue LED indicator that shines through the casing to indicate power and data transfer status

SuperSpeed USB 3.1 performance

- The HV620S is equipped with a SuperSpeed USB 3.1 transfer interface which is backwards compatible with USB 2.0

Scratch-Prevention design

- AA raised lip on the edge of the drive protects the surface from getting scratched when the drive is laid flat

ADATA HV620S
