## Fujitsu Bluetooth Keyboard LX370 Accessories

Excellent Bluetooth wireless connection with slim design

---

The KB Bluetooth LX370 keyboard is a minimalist Bluetooth keyboard designed to be the perfect partner for your mobile life. It comes in a slim and sleek design with touch pad and condenses the keyboard into a convenient and user-friendly mobile input device. For additional comfort it is rechargeable and compatible to all established operation systems. The laser printed keys will last for years while the soft touch key design brings you the best typing experience for your daily work in the office.

### Usability

- Support Bluetooth technology for wireless connection

### Ergonomics

- Slim and sleek design
- Stress free with high contrast keys
- Soft key touch for best comfort

### Reliability

- High quality and function stability
- Abrasion-proof keys through laser technology
- For more convenience: rechargeable by USB bus power

# Bluetooth Keyboard LX370
