Fujitsu ESPRIMO Q958

Mini PC with excellent performance and integration capabilities

The FUJITSU ESPRIMO Q958 mini PC provides excellent performance, high energy efficiency and manageability. Up to 9th Gen Intel® Core™ processor and Intel® vPro™ technology, combined with the DeskView manageability suite supports professional computing and advanced manageability. With its innovative Low Power Active Mode feature and highly-efficient integrated power supply, this powerful mini PC ensures instant communication capabilities in your office while significantly reducing power bills. The optional Palm vein authentication combined with PalmSecure™ technology provides unrivaled security. With its halogen-free printed circuit board of mainboard and optional PVC-free power cord, it is an example of the Fujitsu commitment to environmental protection and sustainability. Experience a cleaner, quieter workplace with Zero Noise PC function and the small footprint of the FUJITSU ESPRIMO Q958.

An elegant mini PC for standard office applications

Eye-catching exclusive modern design

- Fully equipped PC with a volume of ~2.0 liters - based on standard desktop technology

Zero Noise PC

Pleasant working environment due to completely quiet system (solid state disk required)

- Fan stop in standard operations

Superb usability

Efficient working environment due to a tidy desk with easy access to front connectors

- Horizontal or vertical operations and an integrated VESA mount, easy upgrade of major components

Feature-rich, energy-efficient mini PC based on green technology

Be ready for instant communication and a significantly reduced energy bill

- Innovative Low Power Active Mode and energy-efficient integrated power supply
- Halogen-free printed circuit board of mainboard, optional PVC-free power cord

State-of-the-art security features

Keep your most valuable assets safe - your data

- Fujitsu Authconductor software, Trusted Platform Module (TPM) 2.0, optional palm vein sensor for PalmSecure™ technology, SmartCard reader, EraseDisk

Keyboard KB950 Phone

The KB950 Phone is a modern and slim line USB keyboard with integrated Skype for business features. This extremely reliable, high-speed input device is the perfect way to manage incoming and outgoing calls, even when the system is locked. Three additional keys make it easy to accept and end calls and mute your microphone during a call. Easy number dialing is assured with the numpad. The integrated 61 x 12 mm display shows the time and date, the user status and shows incoming call data in the form of the calling number and caller ID.
