

Data Sheet

Fujitsu Keyboard KB900

Spill-resistant protection

The KB900 is a very flat keyboard with extra low keys and spill-resistant protection. The elegant design and top-quality construction makes the KB900 the ideal input device for any PC or Notebook user. If you accidentally spill some water or coffee onto the keyboard, this special construction helps the liquid to flow away.

Features

- Spill-resistant keyboard
- Very flat keyboard with integrated palmrest
- Easy connection to any PC via a standard USB interface and without any driver installation
- Very comfortable thanks to the additional function keys for fast access
- Elegant and extraordinary design

Ergonomics

- Easy efficient working thanks to the ergonomic key design and high labeling contrast
- Light soft-touch keys and very flat keyboard construction

Reliability

- High production quality and function stability with a very good price/performance ratio

1.7

Keyboard KB900
