

Data Sheet

Fujitsu Keyboard KB910

Light up your Fujitsu

The ultra-flat and elegant KB910 provides improved security and efficiency. For excellent legibility of the keys - even in dark environments the light intensity of the keys is dimmable in 4 levels. With an ergonomic inscription contrast and the soft key stroke the comfortable and spill-resistant design ensures fatigue-free and efficient working.

Features

- With backlight function
- Spill-resistant keyboard
- Slim keyboard with integrated palmrest
- Easy connection to any PC via a standard USB interface and without any driver installation
- Very comfortable thanks to the additional function keys for fast access
- Elegant and extraordinary design

Ergonomics

- Easy efficient working thanks to the ergonomic key design and high labelling contrast
- Light soft-touch keys and very flat keyboard construction

Reliability

- High production quality and function stability with a very good price/performance ratio

Keyboard KB910
