

# Data Sheet

## FUJITSU Accessory Keyboard KB915 Backlight

Light up your creative input

---

The elegant, flat Keyboard KB915 provides improved security and efficiency. For excellent legibility of the keys the light intensity of the keys is dimmable in 4 levels - even in dark environments. With comfortable design, ergonomic inscription contrast and the soft key stroke the KB915 Backlight ensures fatigue-free and efficient working.

### Features

- With LED backlight function
- On / Off power switch for LED backlight
- Very comfortable thanks to the additional function keys for fast access
- Abrasion proof laser marked keys
- Easy connection to any PC via a standard USB interface and without any driver installation
- Elegant and extraordinary design

### Ergonomics

- Easy efficient working thanks to the ergonomic key design and high labelling contrast
- Light soft-touch keys and very flat keyboard construction

### Reliability

- High production quality and function stability with a very good price/performance ratio
