Data Sheet
Fujitsu Keyboard KB915 Backlight

Light up your creative input

The elegant, flat Keyboard KB915 provides improved security and efficiency. For excellent legibility of the keys the light intensity of the keys is dimmable in 4 levels - even in dark environments. With comfortable design, ergonomic inscription contrast and the soft key stroke the KB915 Backlight ensures fatigue-free and efficient working.

Features
- With LED backlight function
- On / Off power switch for LED backlight
- Very comfortable thanks to the additional function keys for fast access
- Abrasion proof laser marked keys
- Easy connection to any PC via a standard USB interface and without any driver installation
- Elegant and extraordinary design

Ergonomics
- Easy efficient working thanks to the ergonomic key design and high labellling contrast
- Light soft-touch keys and very flat keyboard construction

Reliability
- High production quality and function stability with a very good price/performance ratio
