

Data Sheet

Fujitsu Accessory Privacy Filters Security Access Protection

For protection and privacy

To use privacy filters is a must in times of increased safety requirements. Fujitsu's Privacy Filters block unauthorized views on your screen while you are sitting in an external meeting or working in a train. The front view remains clear for the user's eyes only. The filters are easy to attach and what's more: They also protect your screen from small scratches and damages.

Function

- Fujitsu Privacy Filters protect you from being snooped in trains, airplanes, cafés or any other public places.
- Passers-by only see a dark screen left and right angle view by 30° each side.
- The Privacy Filters help to protect LCD screens from scratches and dust.
- They are all touch screen compatible

Human centric

- The Fujitsu Privacy Filter is ideal for working without becoming fatigued.
- The filter can be used on both sides (glossy or anti-glare).

Ease of use

- Fixed with transparent glue stripes on screen or hang tabs on display frame for easy removability.

Made in Germany - by Fujitsu

- Made in Germany by Fujitsu, enabling individual sizes on demand.
- Single and bulk orders available.
