

Outperform yourself with HCI

Discover Fujitsu HCI Bundles for Nutanix

Quick, efficient adoption of Nutanix HCI with ease

Hyper-converged infrastructures (HCI) are transforming the economics of IT, creating a next-generation data center foundation that's agile, cost-efficient and resilient – they also dramatically simplify the path to hybrid IT. With the HCI Bundles for Nutanix based on the **Fujitsu Integrated System PRIMEFLEX for Nutanix Enterprise Cloud**, Fujitsu provides everything you need to improve the lifecycle experience of a Nutanix HCI environment – the hardware, software and expert services making deployment, operation, scalability and maintenance a breeze.

To get your journey to HCI started smoothly, Fujitsu offers three pre-configured and pre-tested configurations that are adaptable to diverse workloads and scale.

- Hybrid and all-flash models for a wide range of performance and capacity needs
- Tailored to support capacities varying from 16 TB to 64 TB of raw storage per node
- 3-node base packages allowing you to start small with less budget and grow by adding further nodes.
- 3 years 24x7 maintenance and support for the complete hardware and software stack – with a single point of contact
- Standardized on-site implementation service for 3 nodes with single price tag and order number

Intel® Xeon® Platinum processor

2 strong partners 3 perfectly tuned solutions.

If you want to refresh the IT infrastructure in your data center or remote/branch offices with a future-proof solution that supports your existing application landscape besides modern cloud-native applications, the **Fujitsu HCI Bundles for Nutanix** will make it a success.

XF1070 M3

XF3070 M3

XF8055 M3

	Entry	Medium	Performance
Base unit	XF1070 M3	XF3070 M3	XF8055 M3
Nodes (min)	3	3	3
Processor (per node)	Intel Xeon Silver 4309Y 8C 2.80 GHz	2x Intel Xeon Gold 5315Y 8C 3.20 GHz	2x Intel Xeon Gold 5317 12C 3.0 GHz
Memory (per node)	128 GB	192 GB	384 GB
Cache (per node)	3.84 TB	7.68 TB	15.36 TB
Raw capacity (per node)	16 TB	19.2 TB	64 TB
Software	Flexible Nutanix Software license packages available		
Support	3 years 24x7		
Service	PRIMEFLEX for Nutanix Enterprise Cloud Implementation Packs (1x Start Base and 3x Node Pack)		

Expertise you can bank on

Fujitsu

- Fujitsu PRIMERGY industry-standard x86 servers – 20+ years of development and production know-how resulting in extremely low failure rates below market average
- Standardized PRIMEFLEX implementation services and 24/7 infrastructure support with a single point of contact for the complete hardware and software stack
- Fujitsu uSCALE - flexible, on-premises IT infrastructure as-a-service solution

Nutanix

- Leader in Gartner Magic Quadrant for HCI with 48,8% market share and highest customer satisfaction ratings with a Net Promotor Score of 92 (Gartner)
- Multi-hypervisor support (AHV, VMware ESXi, Hyper-V) and 1 to any scalability
- PRISM management console with intuitive operation with less complexity, feature rich functionalities
