

Work with confidence anywhere

LIFEBOOK U939

Wherever you work, your notebook has to keep up without weighing you down – and keep you **secure**, too. The **FUJITSU Notebook LIFEBOOK U939** is your light yet powerful business companion.

Why the LIFEBOOK U939 is the best companion for business professionals on the move:

#1

Be ultra-mobile

The LIFEBOOK U939 is light enough to carry anywhere – and keeps working as long as you do!

- Lightest notebook in FUJITSU range: 15.5 mm, starting at 920 g
- The best viewing experience is guaranteed by an anti-glare 13.3-inch FHD display, with optional touch or non-touch screen
- Tough as nails: robust magnesium housing
- Work ALL DAY without power socket: full-day battery runtime

#2

Perform to the max

With performance at this level, there's no need for a separate desktop PC.

- Blazing performance despite slimline design
- Latest 8th generation Intel® Core™ processor
- Excellent Connectivity with Intel® Thunderbolt™ 3 USB Type-C connector, full-sized HDMI and LAN connector, embedded WLAN, Bluetooth, optional 4G/LTE

#3

Stay secure

The LIFEBOOK U939 keeps your company data secure – wherever you are.

- Embedded PalmSecure® or fingerprint sensor, SmartCard reader, TPM 2.0
- Full HD Infrared camera allows face recognition with Windows Hello
- Kensington Lock support

#4

Look good

Black or red: eye-catching design and fantastic performance go hand in hand.

- Real wow factor: LIFEBOOK U939 in dazzling red
- Or black too if you prefer!

Prefer even longer battery runtime over design?

Discover the new LIFEBOOK S939.

- Up to 21 hours' battery runtime with modular bay to take second battery
- Starting at 1.19 kg
- Anti-glare WQHD or FHD IGZO 13.3-inch non-touch display or glare touch option
- Powerful performance with latest Intel vPro processor, DDR4 memory technology up to 24 GB RAM
