

What's your Working Passion?

Making Fantastic Food?

Designing Places to Live?

Making People Well?

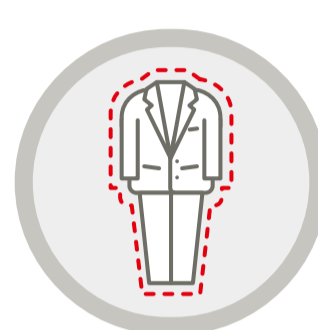

Keeping the lights on at a public utility?
 Making a perfect kitchen?
 Building the best car ever?
 Keeping trucks on the road?
 Researching the weather of the future?

No passion is the same.

But with FUJITSU, **tailor-made becomes standard.**

Tailored around **your** size of company

Your line of business

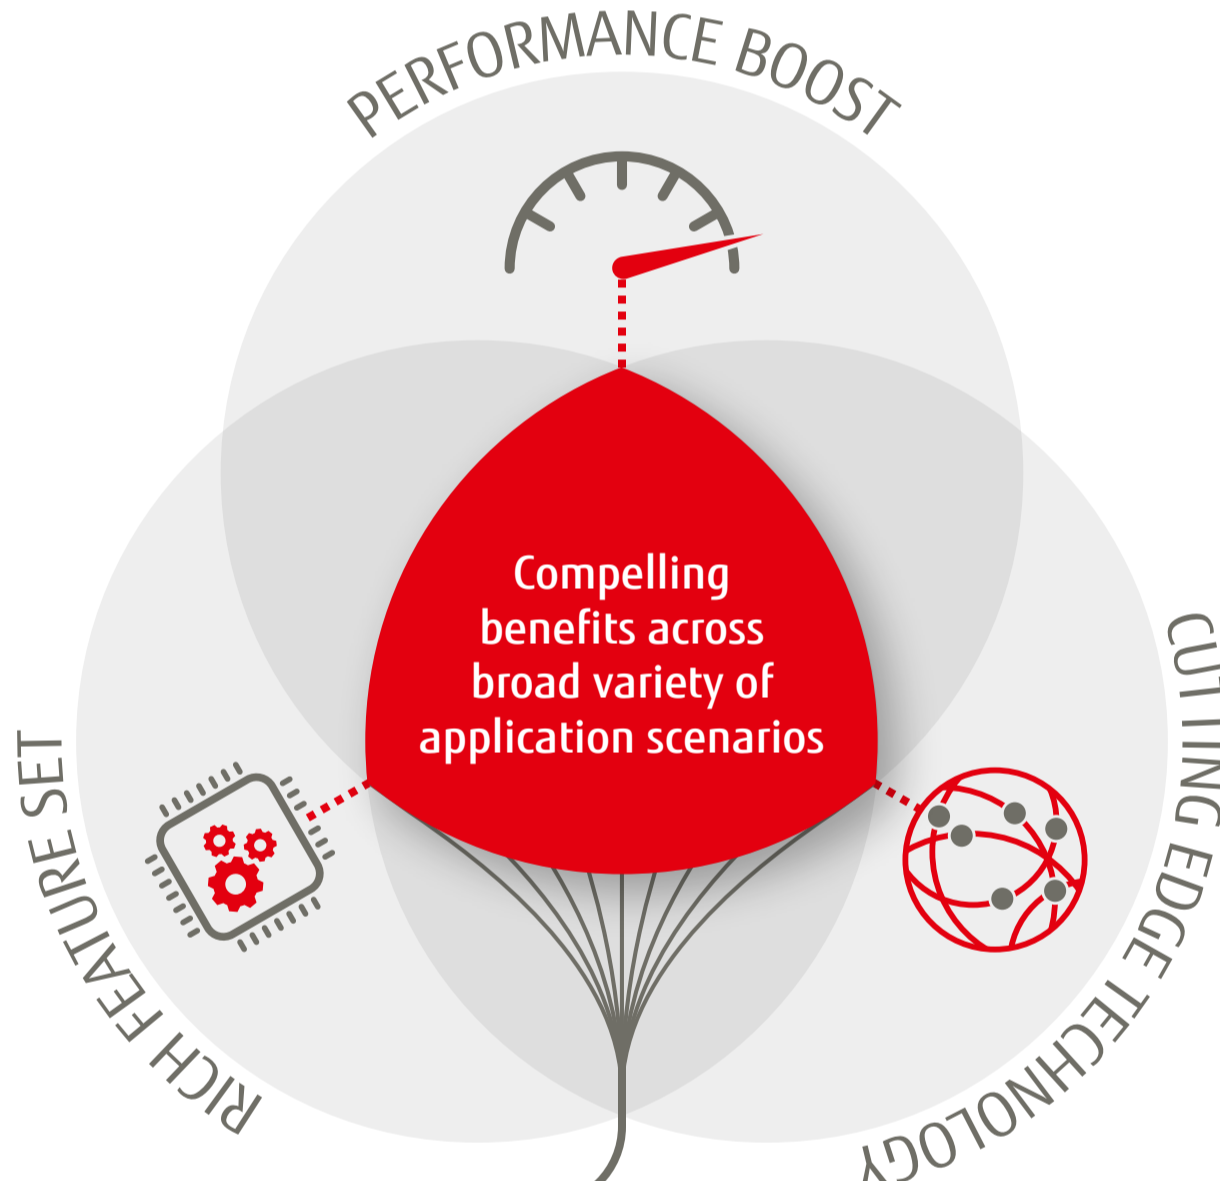

Your set of workloads

Your SLA and security demands

The new PRIMERGY's by FUJITSU change the game – with more choice than ever:

- Mixed workloads
- Data, data and more data
- Small business, or departments
- HPC or tech computing
- Big data analytics
- ...or exactly fitted to your needs!

When you run FUJITSU Server PRIMERGY CX400 M4 and RX2530 M4, RX2540 M4 as well as RX4770 M4, it's like commissioning your very own server designer.

Be flexible. With the right foundation.

Modular and density-optimized servers to scale efficiently

Versatile rack servers with leading efficiency and performance

FUJITSU Server PRIMERGY CX400 M4
for HPC, Cloud and Technical Computing

FUJITSU Server PRIMERGY RX M4
for Core Business and Data Demanding Applications

- Intel® Xeon® Processor Scalable Family with up to 28 Cores, UltraPath Interconnect, NVMe and Omni-Path capable, for ideal performance to match your workload
- Enhanced DDR4 modules with 1.5x higher memory bandwidth and up to 6 TB* capacity
- Mix & match configurations with different base units, high capacity storage drives and various RAID options to individually and optimally tailor to your need
- Most advanced GPGPUs to accelerate demanding HPC, hyperscale, and enterprise data center workloads
- iRMC S5 comes with new interactive web UI and conforms to Redfish providing unified API support for heterogeneous environments
- Enable faster IT service by automating and simplifying infrastructure operations across compute, storage and networking with comprehensive management tools
- And for the perfect finish: select from various product related services to get the perfect tie to match the shirt.
