

Deskbased

All-Round

FUTRO S5011

- All-round essential device
- Ultra compact
- Dual display

Advanced

FUTRO S7011

- Best price/performance ratio
- Ultra compact
- Flexible interfaces
- Triple display application
- Workplace solution with single cable

Superior

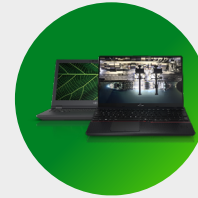

FUTRO S9011

- High performance
- High flexibility
- Up to six displays

Mobile

Ideal for mobile working

LIFEBOOK E5412 | E5512 MTC

- Slim, robust and mobile
- Best network connectivity
- High enterprise security
- Built-In communication

Upgrade

Matching individual needs

Thin Client Upgrades Kit

- For ESPRIMO and LIFEBOOK
- PC based clients
 - More performance
 - Higher mobility

EXPANDABILITY

MANAGEABILITY

SERVER-BASED COMPUTING (SBC)

VIRTUEL DESKTOP INFRASTRUCTUR (VDI)
